Following the model developed by:

*UNESCO - CEPES
COUNCIL OF EUROPE
*EUROPEAN COMMISSION

The Diploma Supplement follows the model developed by the European Commission, Council of Europe and UNESCO/CEPES.

The purpose of the supplement is to provide sufficient independent data to improve the international "transparency" and fair academic and professional recognition of qualifications (diplomas, degrees, certificates, etc).

It is designed to provide a description of the nature, level, context, content and status of the studies that were passed and successfully completed by the individual named on the original qualification to which this supplement is enclosed. It should be free from any value judgements, equivalence of statements or suggestions about recognition.

Information in all eight sections should be provided. One must explain the reason if the information is not submitted.

Extra long life paper.

Printed with high technology against counterfeiting and/or tampering.

1. Information about the holder of the qualification

1.1. Usubakunova
Last name

1.2. Aizada
Name

1.3. 02.06.1993, Isyk-Kul region
(Kyrgyz Republic)
Date and place of birth

1.4. YB160368290
Student's identification number

2. Information on qualifications
