

AVICENNA
MEDICAL COLLEGE

AVICENNA MEDICAL COLLEGE

Dated: 13-04-22

LAHORE, PAKISTAN

**RECOMMENDATION ON GRADUATE MODEL OF SCHOOL OF THE KYRGYZ
REPUBLIC UNIVERSITY ADAM**

1. Professional competencies must include History taking methods of medical students.
2. More focus on Doctor- Patient relationship, which would maintain the privacy of patients.
3. Research activities must include monthly journal club in which we can discuss International research papers. This will encourage newcomers and upgrade our level of research.

Dr. Muhammad Muneeb Ather
Assistant Professor Anatomy
Avicenna Medical College, Lahore.
